

2006-2007 Application Mayor Mallory's Young Professional Kitchen Cabinet (YPKC)

July 28, 2006

Greetings,

Thank you for taking interest in my Young Professional Kitchen Cabinet (YPKC). The involvement of Cincinnati's young professionals is important to development and prosperity for the future. Through the YPKC, I hope to encourage young leaders of our city to participate in its growth. Young professionals provide excitement and enthusiasm to the heart of a growing city. With your help we will create a diverse group of committed individuals who will bring new energy to the effort of helping the City of Cincinnati become a better place.

The process for selection will be open to the entire young professional community and will be representative of the group as a whole. I will be accepting applications for the Executive Board and Committee Heads until August 17th.

Again, thank you for your interest, and I look forward to working with you.

Sincerely,

Mayor Mark Mallory
City of Cincinnati
